PROGRESS OF MEDICAL SCIENCE

MEDICINE

UNDER THE CHARGE OF

W. S. THAYER, M.D., AND ROGER S. MORRIS, M.D.

On the Infectivity of the Milk of Syphilitic Women 139
A New Prophylactic Remedy against Diphtheria 139
New Preparations and New Principles for the Treatment of Trypanosomiasis 140
Avian Tuberculosis in Man 141
Lymphocytosis in Chronic Polyarthritis 141

SURGERY

UNDER THE CHARGE OF

J. WILLIAM WHITE, M.D., AND T. TURNER THOMAS, M.D.

Three Cases with Large Calculi Which Were Absolutely Latent . . . 142
Abscess of the Liver at the Haiphong Hospital 142
Histological Examination of the Gastric Mucosa in Gastric Ulcer and Carcinoma 143
A Contribution to the Functional Diagnosis of Gastric Disease by Means of Sahli's Method 144
Radium in the Treatment of Malignant Disease 144

THERAPEUTICS

UNDER THE CHARGE OF

SAMUEL W. LAMBERT, M.D.

Clinical Effects of "Natural" and "Synthetic" Sodium Salicylate . . 145
The Therapeutic Use of Benzol 145
The Vaccine Treatment of Typhoid Fever 146

PEDIATRICS

UNDER THE CHARGE OF

LOUIS STARR, M.D., AND THOMPSON S. WESTCOTT, M.D.

Vulvovaginitis in Young Children 147
Radiographic Studies of the Gastro-intestinal Tract 147
Relapsing Pneumonia in Children 148

OBSTETRICS

UNDER THE CHARGE OF

EDWARD P. DAVIS, A.M., M.D.,

Bacteriological Examination in Fever Occurring during Labor . . . 149
Labor Complicated by a Gauze Pad Left in Douglas' Pouch 150
Arteriovenous Transfusion in Puerperal Hemorrhage 150

GYNECOLOGY

UNDER THE CHARGE OF

JOHN G. CLARK, M.D.

Conservative Surgery in Genital Tuberculosis 151
Tuberculous Pyosalpinx Perforated into the Bladder 152

OTOLOGY

UNDER THE CHARGE OF

CLARENCE J. BLAKE, M.D.

Local Anesthesia of the Drum-head 153
Angiosclerotic Otalgia 153
Effect of Auditory Stimuli upon the Cerebral Circulation 153

PATHOLOGY AND BACTERIOLOGY

UNDER THE CHARGE OF

JOHN McCRAE, M.D., M.R.C.P.

Changes Occurring in the Voluntary Muscles in General Diseases . . 154
Blood Platelets in Blood Repair 155
An Improved Method for the Histological Study of the Arteries . . 155
Factors in the Formation of Metastatic Tumors 156
The Pathological Anatomy of Paratyphoid Fever 156
